

Voices for Vision - Employee Feedback

Dear fellow Alaskan,

Thank you so much for the work you do as a State of Alaska employee. You are the eyes and ears of our state government, providing a knowledge base that no policy analyst or budget expert can ever hold. That is why we are asking for your help.

Alaska is facing a declining revenue stream and it's time to tighten our belt. As a state employee, you probably see inefficiencies and unnecessary expenses that most Alaskans outside of your office don't see; perhaps we can consolidate services.

We are asking for your honest opinion so we can streamline our work and be better stewards of our resources.

Please take a moment to complete this anonymous survey, and tell us how you think we can more efficiently operate our state government. As Alaskans, we are in this together. Now, more than ever, we need your help to shape the path to a strong economic future.

Sincerely,

Governor Bill Walker & Lieutenant Governor Byron Mallott
