

## *Purpose*

Energize Alaska's spirit through self-determination and resource stewardship to improve the life of every Alaskan

## **Core Values**

- *Public Trust:* Earning and maintaining the trust of Alaskans through transparency, integrity, rule of law, science-based decision making and competence
- *Respect:* Engaging the voices of every Alaskan. Optimal solutions come through valuing opposing viewpoints
- *Persistence:* Never give up
- *Service:* Commitment to improve the lives of Alaskans
- *Teamwork:* Work together without regard to who gets credit

## **Our Vision**

By 2020, all Alaskans have improved living conditions and economic opportunities through:

- *Transformed energy production and distribution*
- *Healthy, safe families and Communities*
- *Sustainable Budget*
- We will begin construction of a large volume gas line
- We will increase number of companies exploring and developing oil and gas in Alaska
- We will increase the percentage of energy created through renewable resources
- We will increase the ability of Alaskans to access natural gas
- We will make energy more affordable in rural Alaska
- We will broaden our industrial base
- We will achieve safe, healthy, and economically viable communities
- We will achieve a sustainable State budget
- We will build a healthy communication infrastructure
