Re: Acting Commissioner of Administration

Dear Department of Administration Employee,

Earlier this evening, Commissioner Designee Jonathan Quick resigned. I appreciate his willingness to serve the people of Alaska and wish him the best in his future endeavors.

I appointed Paula Vrana as Acting Commissioner of Administration. Acting Commissioner Vrana is an attorney who joined the Department of Administration on January 2, 2019. She immediately immersed herself in your department's important role to the State of Alaska, and I am confident you are in good hands.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael J. Dunleavy".
