

Intrastate Travel And Outdoor Day Activity
Attachment M
Issued April 22, 2020
Effective April 24, 2020
Part of Phase I

By: Governor Mike Dunleavy 
Commissioner Adam Crum  Alaska Department of Health and Social Services
Dr. Anne Zink  Chief Medical Officer, State of Alaska

I. Applicability: This attachment applies to recreational intrastate travel and outdoor daytime activities (not overnight) and modifies travel restrictions in Health Mandate 012 and relevant portions of Health Mandate 011.

II. Intrastate travel and outdoor day recreation is permitted under the following conditions and guidance:

- a. Household Members: members of the same household, travelling in a passenger vehicle or car, are permitted to travel between communities and generally on the road system for any purpose, including, but not limited to, recreational or sightseeing activities conducted within the mandate guidelines.
- b. Day Recreation: members of different households may jointly engage in outdoor activity so long as:
 - i. The group does not exceed 20 persons;
 - ii. Non-household members shall not travel in the same vehicle together to the site of the activity;
 - iii. Non-household members shall maintain a six-foot distance from members of other households at all times during the outdoor activity.
 - iv. In mixed household groups, members of each group should wear cloth face coverings.
 - v. Non-household members must adhere to social distancing protocols, and shall refrain from touching each other and from sharing food or drink.
 - vi. The group shall assure members have sufficient hand sanitizer to disinfect hands during the activity and upon returning to the vehicle or car.
 - vii. Upon returning home, members of the group must wash their hands and wash their clothes before using them again.

III. Precautions while traveling:

- a. Stops shall be minimized on the way to the final destination.
- b. If travelers must stop for food, gas, or supplies, only one traveler shall engage with the third-party vendor. The traveler must practice social distancing by keeping six feet away from others when possible, and avoid crowded places whenever possible. Cloth face coverings should be used whenever a traveler engages with a third-party vendor(s).

- c. Travelers who have to stop, shall wash their hands or use hand sanitizer before exiting, and immediately after returning, to the car or vehicle.

IV. Additional information:

- a. Travelers should refer to Mandate 016 for further and additional information on how to navigate state and local rules regarding intrastate travel and recreation.
- b. Alaskans should refer to other mandates and guidance as appropriate when engaging in other activities, such as overnight camping or lodging.
