

STATE OF ALASKA
AMENDMENT 1 TO OCTOBER 9, 2025
DECLARATION OF DISASTER EMERGENCY

WHEREAS, on October 9, 2025, I declared a condition of disaster emergency (2025 West Coast Storm Disaster Emergency) for the Kashunamiut, Lower Yukon, Yupitt, Pribilof Island, Iditarod Area, Lower Kuskokwim, and Bering Strait Regional Educational Attendance Area (REAA), Yukon-Koyukuk REAA, the City of Galena, as well as the Northwest Arctic (NWAB) and North Slope Boroughs (NSB) in response to a series of powerful storms that caused widespread flooding and high winds with a threat to life and property; and

WHEREAS, strict compliance with the statutes, regulations, and orders of state agencies would prevent, impede, or delay actions necessary to cope with the 2025 West Coast Storm Disaster Emergency; and

WHEREAS, in the October 9, 2025 Declaration of Disaster Emergency, I ordered the suspension of those provisions of Alaska Statutes and regulations relating to any requirement to (a) obtain a lease from another State agency prior to entry upon the land; (b) obtain a permit, including land use permits and rights of way permits, from another State agency prior to entry upon land; (c) obtain Water Use permits or rights, including temporary rights, from another State agency prior to utilizing such resources; (d) obtain Fish Habitat Permits or Special Area Permits from another State agency; (e) obtain Wastewater Disposal Permits from another State agency; (f) obtain Section 106 Reviews pursuant to the National Historic Preservation Act of 1966 from another State agency.

NOW THEREFORE, on this 23rd day of October 2025, under authority of AS 26.23.020(g)(1), I hereby amend the October 16, 2025 Declaration of Disaster Emergency to include the suspension of those provisions of Alaska Statutes and regulations relating to any requirement for the payment of fees to replace necessary documentation including, licenses and registrations, and the waiving of late fees for loans and payments for state administered programs, for those impacted by the 2025 West Coast Storm Disaster; provided that the foregoing suspensions do not apply to any specific provision the suspension of which would create a violation of federal law or a violation of a requirement for the provision of federal emergency funding. The October 9, 2025, Declaration and this Amendment 1 shall have the power of law and shall supersede all conflicting laws during the duration of the Declaration.
